

# Tauranga Bay City Assoc

- Roping off
- Signs
- 18m - 'Dog exclusion zone'
- Req. in Dec 2015.
  - ↳ due to poor dog results.
- Didn't work.
- Eggs disappearing
- Traps. - eggs snatched. eg. Hairy hawks  
Gulls
- Not all year round.
- By law - doubles to 6m  
need more evidence.

John Dawkins. - not our views  
Community views.  
↳ REFINED.

→ Tide line wording

→ 1 per L.H.

→ Dogs registered elsewhere

---

Key

→ 5th end Waitangi beach

→ Off beach time winter

→ Complete prohibition not necessary. down to Opua.

→ Mixture of dog

→ Better signage - easy to see from a distance.

→ Discussion group was a good idea

↳ value for these discussions elsewhere.

- Shary reserves.

Active + passive zones w. beach

## Brad Windust

→ Native sea birds c no dogs.

- fishing.
- predation by pests.
- come to shore to feed etc

90% of NZ seabirds

L.B. Pery 60% decline 50 yrs.

2 pery. colonies destroyed  
- line seen

huge effort to turn tide

- 100's trapping
- pigeon boxes - prison
- volunteers
- billboards
- guts me when I see dogs go thru them.
- feed at low tide.
- high tide - roost / sleep.

50 D  
waiting  
largest do the all

→ Dogs on lead

→ DOC scrapped this

- Wildlife punished more

\* - Problem easily solved \*

↳ areas of high biodiversity

Oyster  
Catchers,

↳ (no dog zone)

↓  
Te Hānui &  
Waitangi  
Northern end of  
Te Tii beach

no dogs

- Other areas  
should be  
dogs

# Les Feery

Birds N.Z.

Thousands

↳ not conservation

↳ observe, report & research.

↳ count

↳ post online

E-bird

+ cell ph. application

DOC historical data being uploaded.

Anthropocene - 6th extinction event  
- humans dominant  
- 'red since 1970.

→ 70 common species.

→ Waitangi Estuary

Aroha Is.

Waitangi Nat. Reserve.

Cape Rey

- Unfukpuka

- Spot in Russell.

Gulls  
Dotterill  
Oystercatchers

→ Red billed gull

Far  
North

10's of 6000 - 1960  
Now - 3000

→ Drove here today - dogs chasing red billed  
gulls.

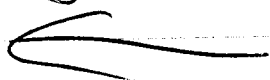

→ on Te Tii beach.

→ decline - human  
- predation

→ No species extinction in the area in NZ  
in last 100 yrs.

→ Russ. Museum

Dog Control Man

Collections audit

Mtg.

P.37.

Neil Miller.

- DOC.
- Conservation
- 2 ecologists.
- Minister wrote saying we have to improve dog control
- 19 reports gone to members

- end of last yr
- ↑ # of submissions
- hearings
- Council decided we needed to do more groups

Resource Mgmt Act
